

Mounted panels are
custom-made to do their job,
so our customers can do theirs.

Mounted panel options secure high-value components and keep sensitive equipment safe and ready to use. Panels are designed and built to your specifications, mounted in fully customized Sentinel[®] cases. Available fully assembled, or with mounting instructions to assemble yourself, or with mounts only to receive a 1/8" thick panel you provide.

- 1/8" thick ABS plastic or aluminum panels
- Designed for the best fit for your transportable electronics
- Fully customizable colors, labels, cut-out placement, and more

Laser cut custom panel
cutouts available.

Purpose-built. From the inside out.

When it comes to protecting your high-value cargo, equipment, or devices, GEMSTAR looks at technical cases differently—from the inside out. Starting with your valuable assets, our custom-designed hard cases are engineered and built to meet the protection, containment, and transportation

requirements specific to your application requirements. Our decades of custom case design and manufacturing experience, and nearly limitless custom options, makes us the best choice for your custom hard case solution.

SENTINEL[®]

Airtight, waterproof protection that's durable, lightweight, and virtually indestructible.

STRONGHOLD[®]

Extreme durability, interlocking stackability, and airtight protection for heavyweight cargo.

VersaPRO[®]

Thousands of sizes, choices, and options for reliable protection.

Customized to meet your needs.

Custom Interiors

Protect and organize your equipment with options best suited to your application.

- Shock mounts
- Hook-and-loop straps
- Trays and thermoformed inserts
- Compartment labeling
- Mounting flanges and brackets
- Hinged compartments
- Literature pockets
- Custom foams

Custom Exteriors

The exterior of your case can be equipped with a variety of accessories or graphics.

- Stock and custom color matching
- Retractable extension handles and wheels on select models
- Patented finger-friendly latches
- Automatic pressure relief valve
- Company branding options
- Padlock brackets
- Recessed hardware
- Label plates
- Case wall cutouts
- Straps
- Removable lid

The GEMSTAR difference.

Because of our commitment to quality, use of premium materials and adherence to best practices, we stand behind all of our case products with a lifetime guarantee.
